Dear Mr. Navecky,

Thank you for this chance to voice my opinions.

There are 3 major issues

1. A TV Eft. LJJLS il-r /// h* crossing a major and only roads in one out of Big Lsjt-o. Tit #SS A tff. white a few residential neighborhoods. I am not in favor of this route because of these points and the wet lands involved.

2. The Houston Rts will mess up the water sheds. If you can deal with that correctly then that would be a possibility.

3. Willow - If there are tribal lands that are sacred this route should be avoided - if not it is in my opinion the best Rte because of the natural land flow. Best land -
